THE TIMES INDEX.

APRIL-JUNE, 1926.

In each entry the first numeral indicates the day of the month and the second the page. The letter in *italic type* indicates the column of the page; for reference purposes the columns of each page are supposed to be lettered from left to right—*a, b, c, d, e, f, g*. Thus **APRIL 14, 9e** denotes the issue of **APRIL 14**, page 9, and column 5.

THE FOLLOWING ABBREVIATIONS ARE USED :—**add.**—address; **art.**—article(s); **E.N.**—Empire Number; **ed.**—edited or edition; **evid.**—evidence; **F.N.**—Financial Note; **I.N.**—Insurance Number; **int.**—interview; **l.**—letter(s); **lect.**—lecture; **mem.**—memorandum; **p.**—paper read, or reads paper; **P.N.**—Political Notes; **R.C.**—Roman Catholic; **s.**—speech(es); **s.P.**—speech(es) in Parliament; **tel.**—telegram; **trans.**—translated, or translation.
